

They Say There is a Reason

They say there is a reason,
They say that time will heal,
But neither time nor reason,
Will change the way I feel,
For no-one knows the heartache,
That lies behind our smiles,
No-one knows how many times,
We have broken down and cried,
We want to tell you something,
So there won't be any doubt,
You're so wonderful to think of,
But so hard to be without.

Little Snowdrop

The world may never notice
If a Snowdrop doesn't bloom,
Or even pause to wonder
If the petals fall too soon.
But every life that ever forms,
Or ever comes to be,
Touches the world in some small way

For all eternity.

The little one we long for
Was swiftly here and gone.
But the love that was then planted
Is a light that still shines on.
And though our arms are empty,
Our hearts know what to do.
Every beating of our hearts
Says of our love for you.
